Congratulations, in addition to making Hi-Lites you have also made Luminosa or Virsonum. You are strongly encouraged to take one of these classes if you can make room in your schedule. Even one trimester would be great. When advanced students participate in these ensembles it helps the whole choir program immensely. You can take 1, 2 or 3 trimesters. The more the better. It is preferred if you are only able to take 1 trimester to please take it 3rd trimester. If you can only take 2 trimesters take it 2nd and 3rd trimesters, etc.
