Congratulations, in addition to making Polyphony you have also made Luminosa or Virsonum. You are strongly encouraged to take one of these classes if you can make room in your schedule. Even one trimester would be great. When advanced students participate in these ensembles it helps the whole choir program immensely. You can take 1, 2 or 3 trimesters. The more the better. It is preferred if you are only able to take 1 trimester to please take it 3rd trimester. If you can only take 2 trimesters take it 2nd and 3rd trimesters, etc.

Important Information:

This is not an official audition list. Official auditions for Luminosa and Virsonum will take place towards the end of the 1st trimester. However, due to the school dismissal and our inability to have choir auditions in the spring, we are inviting all students on this list to participate in Luminosa and Virsonum 1st trimester and to come try it out. At the end of the 1st trimester we will have the official auditions where some students may be cut. Those not cut will have an opportunity to stay the rest of the year.

Students with a * by their name will need to register themselves if they want to take Luminosa. All other students listed will be enrolled for the 1st trimester based on the interest they indicated on the choir interest form.
