If you are on this list you have also made Luminosa or Men's Choir. Although it is not required you are encouraged, if able, to take either Luminosa or Men's Choir. When older students participate in these ensembles it helps the choir program immensely. You can take 1, 2 or 3 trimesters. The more the better. It is preferred if you are only able to take 1 trimester to please take it 3rd trimester. If you can only take 2 trimesters take it 2nd and 3rd trimesters, etc.
