Uintah High Choir – 2023 Graduates

Cydnie Dudley 4 years

Future plans: Enjoy the summer, Utah State, married

What you've learned: Music can bond people together in a way I could have never imagined. I can't wait to reunite to sing old songs 20 years from now with my "Old Friends".

Joshua Ek 4 years

Future Plans: Mission then college.

Advice: Stay in choir and be invested in your music. If you learn to music well it changes you. It also helps you bond with others. Have fun too.

Emma Hardin 3 years

Future plans: BYU Idaho, mawage, be happy

Choir memory: All of the mini tours, the show that goes wrong, singing at the elementary schools, driving for Singing Valentines, drawing on Josh's face, singing & praying with SoVoce, Honor Choir and All State.

Samuel Helco 4+ years

Future plans: Utah State, mission, sleep

Choir memory: Spring Mini Tour, sophomore year. It was the first time we got to take off our masks after Covid started. Also, I won a race at the pool and got a kiss on the cheek from all the Polyphony girls.

Ellaina Merryweather 4 years

Future plans: Work for a year, Vocal music ed. at SUU

Advice: Stick with it! If you quit choir, you will never know how many blessings it gives. Give yourself something to look back on your senior year and say, "This was worth it".

Christina Pena 3 years

Future plans: Graphic art (and sing) at BYU Idaho

What you've learned: Making music as a group is the most incredible thing. It's amazing to see all the parts come together and really feel the connection it brings to everyone.

Briel Pettit 4+ years

Future plans: Music therapy at USU, mission

What you've learned: Go-karts and lazer tag at Boondocks. Also, all of the time spent talking and playing games with friends on the bus.

Alec Rimmasch 1 year

Future plans: Mission: Fiji, Suva, BYU, USU

Advice: Listen when Merryweather talks. He knows his stuff. Don't be stupid, keep learning outside of class.

Dillon Sagaser 3+ years

Future plans: Mission

Choir memory: The Spring Concert my freshman year.

Adam Semadeni 1 year

Future plans: Mission: Scottsdale, Arizona, college

Choir memory: Performing "Oceans and Stars". That song touches me. It talks about parting ways, which I will do at graduation.

Eve Swonger 2+ years

Future plans: BYU Idaho, mission, have a family

Advice: Work hard everyday. Be humble about your mistakes and do the best you can. Be the person that strengthens others and knows their part, not the person who relies on everyone else. Above all love the people around you.

Sarah Young 4 years

Future plans: Communication at Weber State, institute choir, mother

Choir memory: All State both years is an incredible opportunity to learn something on your own and to be able to sing with so many people with full confidence if you do your part.

CONGRATULATIONS 2023 CHOIR GRADUATES!! KEEP SINGING!
