## An All State Choir Experience

Eight of our high school choir students had the

amazing opportunity to go to All State Choir. All State Choir is a large choir of students from all over the state who received music, learned it on their own, then met together in Salt Lake City and then performed in the Mormon Tabernacle. This is what our students who went had to say about this amazing experience:

“Ok so, All State is a whole LOT of work, and sometimes it's hard to learn the songs (Especially if you don't like the song), but it is SOOO worth it!” -Rachel Perry

"All-State was an amazing experience! We learned so much about how to place our voices and how to sing better. It helped our performance greatly." -Kindon Helco

“I don't think I have ever bonded with people over such a short amount of time. The music as well was a fantastic experience.” -Ammon Weimer

“All State was an amazing opportunity to sing with Ryan Murphy and roughly 600 other people in the tabernacle. I ate all the fries they gave me at Five Guys. (I'm slightly proud of that.)” -Daniel Hardin

“Allstate was a great learning experience for high school choral musicians across Utah. This was not a competition but a once in a lifetime opportunity to sing with a huge group of dedicated students at the tabernacle in Salt Lake City. This experience is something that I'll never forget.” -Emmalee Mayes

Mr. Merryweather: “My choral director shared this with my choir many times during my time at Southern Utah University. “You want to sing in such a way that the listener is drawn to the music rather than the performer.””
